THE RIZIN HOTEL & RESIDENCES "PATTAYA" is located on 399/15, Moo 10, Thappraya Road, Soi 15, Nongprue, Banglamung, Chonburi, 20150, and opened in September 2018. The hotel is expressly designed to attract both locals and expats for a short or lengthy getaway. With 130 large, apartment-style rooms and suites, the property is located in a quiet and green residential area of Pattaya. Guests can avoid the bustle of the downtown area, yet are within easy reach of the city's many restaurants, shopping centers, beaches and other attractions. For those traveling without car, the hotel provides free shuttle services with its own traditional Songthaew bus in addition to a minivan on standby for longer distances.

Designed in a contemporary Japanese style, The Rizin's rooms feature quality bed linen and furnishings together with convenient and spacious bathroom facilities and amenities. Accommodations come in four categories ranging from the expansive 70m² Duplex Suite to the cozy 35m² Studio and include a 67m² one-bedroom Master Suite and a 60m² two-bedroom Premier Suite. All the rooms are fitted with kitchenettes allowing guests to prepare simple meals as well as brewing coffee and tea when desired.

The hotel's concept is based around BODY, MIND & SOUL, which is reflected with the healthy dishes offered at THE DELI restaurant on the ground floor, a large outdoor swimming pool with kid's plunge area, and a state-of-the-art gym looking over the pool. Guests who stay at The Rizin on a long-term basis are also able to savour on request a delicious meal prepared in their room by a personal chef, giving a genuine feeling of enjoying the comforts of home.

Breaking with the formal style of more traditional hotels, The Rizin makes its mark with their Lifestyle Hosts fulfilling guests' every need and assuring service is provided before it is requested.
